Sharon Blackmun

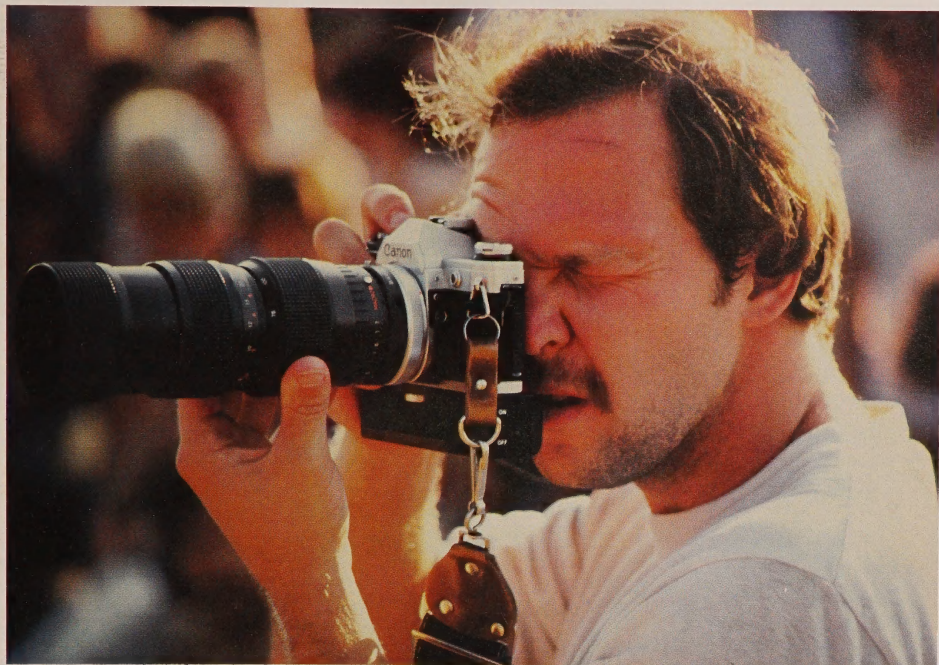

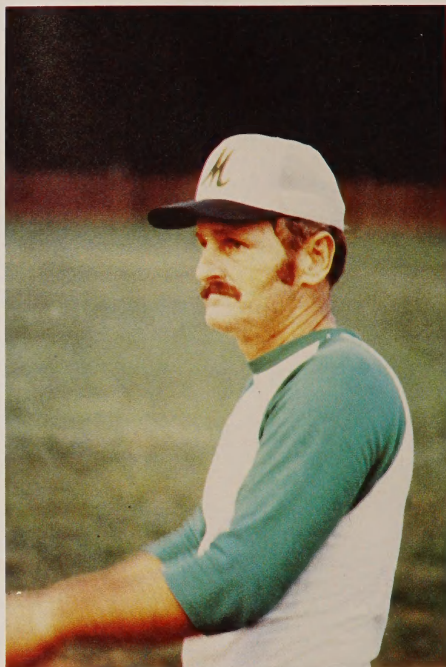

The SOUTHERN MEMORIES Annual Staff presents the year in pictures

Faces in the crowd
come together looking back
cherish smiles you see

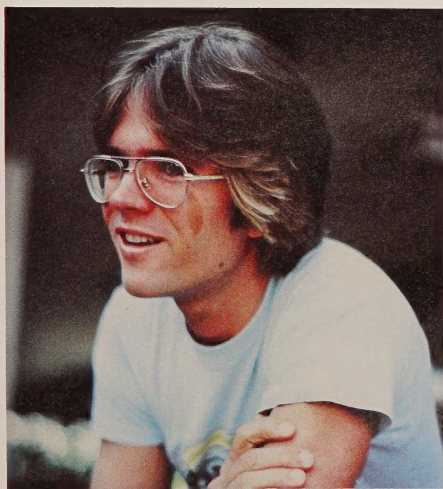

Eyes let in new friends
sparkling smiles bring them closer
now reach for their hand.

Throw your head back hard
the laughter will let you soar
as the eagle does.

If time stood this still
the waves would never break,
our castles would always stand,
untouched by the tide,
the gull's cry forever stilled;
footsteps, impressed upon the sand,
suspended and we would always be.

Friends like rainbows
many colors
comfort after tears
vanish always to be remembered
with a smile.

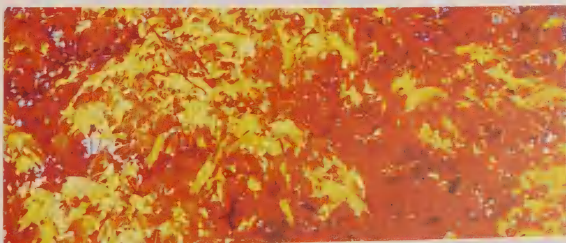

Out of all the fish in the sea,
cows in the corn,
stars in the heavens,
tea in China,
players on the field,
spectators in the stands,
How did I ever find you?

Take a walk with me
bring someone else if you want
espy together.

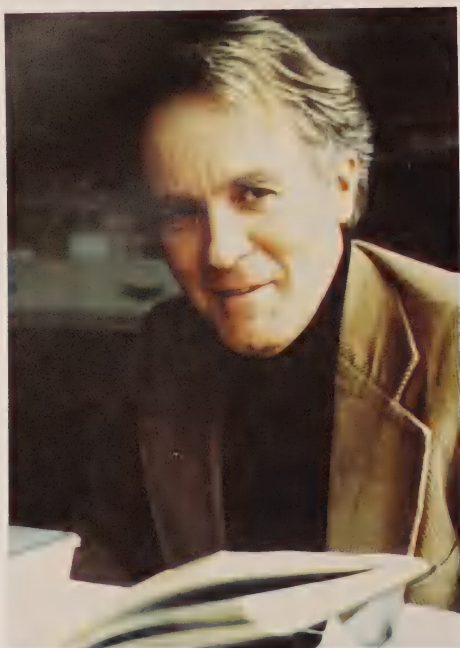

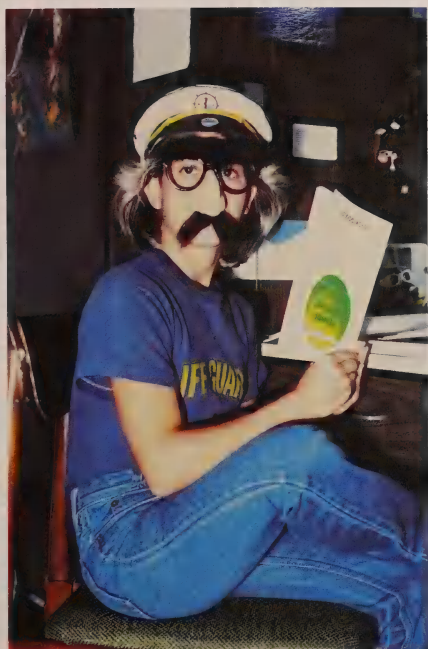

Tucked away, unborn
memories await to live.
Patience, they'll unfurl.

Reaching for the sky,
butterflies we try to be
Never stop to think
that we really can't fly
at all.

Who designed these pews?
I hope it doesn't start raining
(my umbrella's sitting with someone else)
Boy, I'm hungry.

dedication

He is a man of many talents.

He listens to problems, then leads us to answers. He challenges, we accept, and therefore, experience his learning as well as our own.

He is a scholar, always pursuing knowledge and sincerity in order to inform himself and others.

He speaks words of sense and logic, but the emotions and understanding are always felt.

He organizes and strengthens our purpose and will for being here, thus, reinforcing our personalities so we can go forward.

He is a defender of the rules and of our rights, knowing that both can work together.

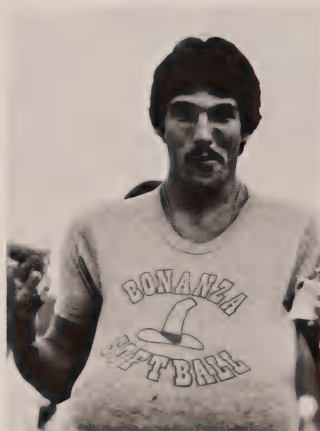

He works towards unity by directing and following.

He supports. He's aware. He's concerned. That is why we dedicate the 1980-81 SOUTHERN MEMORIES to you, Frank Knittel.

Just a word of thanks to everyone who worked with us in the production of this book. Keith, for your endless mornings, afternoons and evenings in the darkroom. Tammi, for your weeks of typing on our \$1.98 typewriter. Bev, for your continued support and patience with me. Dana, for your true words of confusion and total insanity. Carla, for all the typing, writing, talking and total chaos you survived through, and Sherri, Laurie, Frank, Melissa and Bob for the time and effort you devoted to this production.

Thankx,

A dramatic, low-key photograph of a person standing on a cross. The person is silhouetted against a dark background, with four bright beams of light radiating from the cross, creating a starburst effect. The overall mood is solemn and spiritual.

campus ministry

Campus life at S.M.C. is made up of social events as well as spiritual activities.

Campus Ministries organizes the religious programs and activities that reach the students and community.

This year Destiny has introduced

a new method of witnessing to S.M.C. through Drama. "Our yearning desire is to encourage, to enhearten, and to uplift."

"When we become a part of Jesus Christ we stake our lives, dream, hopes, fears, our humanity, on the fact that we believe."

computer dating club

The results are in, and of all the SMC students, these lucky few have been initiated into the Computer Dating Club. Getting off to a famous start in September, this small, but active, club has blossomed into the success it is today with the help of these hard working individuals.

computer daters

Of all the millions that filed, these fine young men were singled out as being the most fun on a date. Even as I write they are eagerly awaiting to prove themselves as brilliant dates. Interested young maidens are asked to contact them as soon as possible.

All That Jazz...

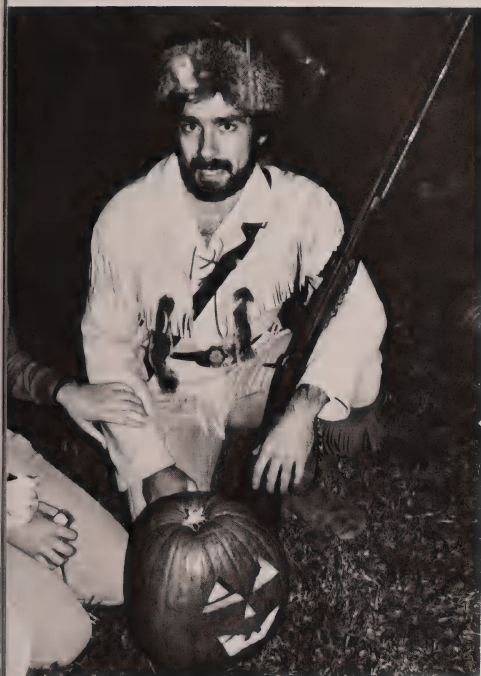

Misty grey beach waves
Erase footsteps in the
sand
Who knows where they
go?

(Ed. note: This passage is completely irrelevant to the layout.)

People Do Anything For Attention:
Some ask for it;
Others dress in fashion that turn heads;
Certain people take their pets wherever they go;
And then there are those who walk around continually posing
for pictures.

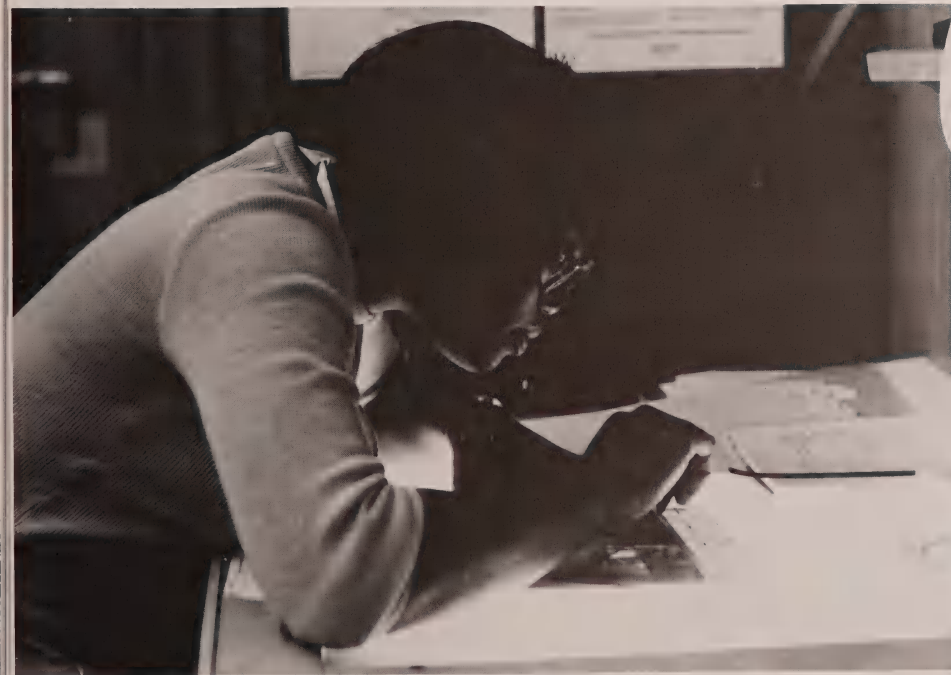

WANTED: Single, unattached male. Must be able to endure fun times, charming wit, good cooking ...

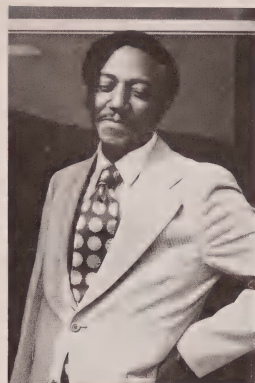

... home remedies, technical precision,
and pleasant company. Only the
interested need apply.

Dear Mom & Dad,
I'm having tons of fun here at school this
year. I met a real nice guy with a CDB
hat on, he likes horses, too.
The kids are easy to get to know & talk
to.
Every night we all go to the lake & watch
submarine races.
Well, I have to go do homework before
the races start.

Love,
Your Daughter

Sports

Let's see that again!

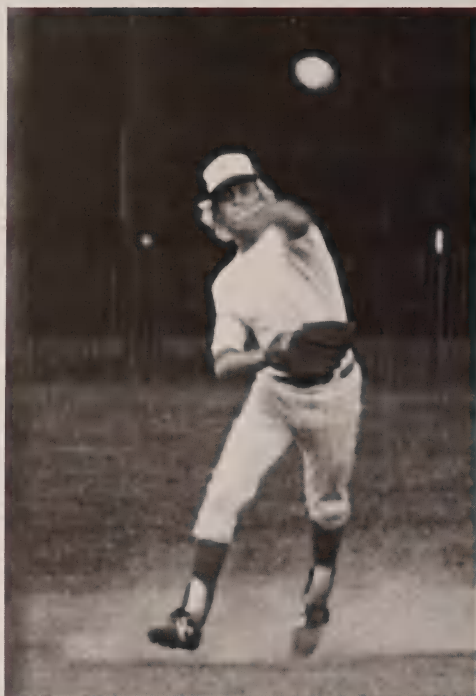

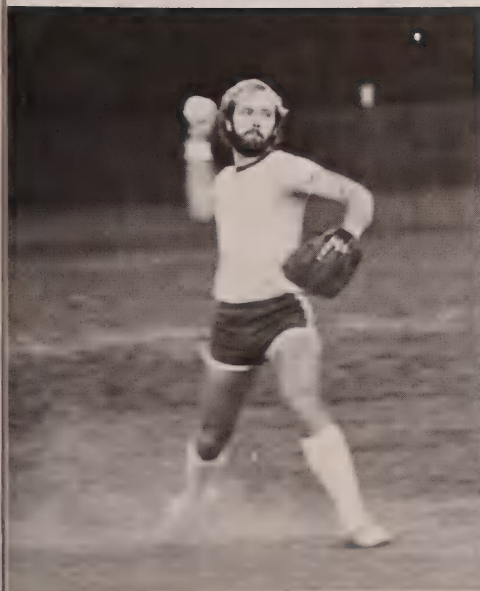

Grit, tense, rigid, strain, taunt, intense,
pitch, leap, pummel, drive, motion,
cunning, arch, extend, ache, straighten,
relax, triumph, smile.

Dear Shawn,

This semester has been real. I'm glad I've gotten to know you, you're a real sweet girl. Just remember that you do have a lot to give to others and yourself! Keep your chin up, always keep looking up to the skies, never stop reaching. Now state a goal, strive for it and accomplish it. I know you can do it! This semester has brought many tears and yet laughter mingled in between. Yesterday is gone, today is here but the future is what we need to look towards. I wish you the best of luck in all you do! Remember that Natalie & I are here if you ever need to talk to someone! OK? Have a great summer and don't work too hard. Well, the big graduation day has come and you have 110 days since been a super roommate. We've had a lot of fun.

Keep out of trouble (which is going to be hard)! Keep up your courage and continue to let the Lord lead in your life. Keep it tough. I'm glad you did much this weekend. Whatever.

CONGRATULATIONS CONGRATULATIONS

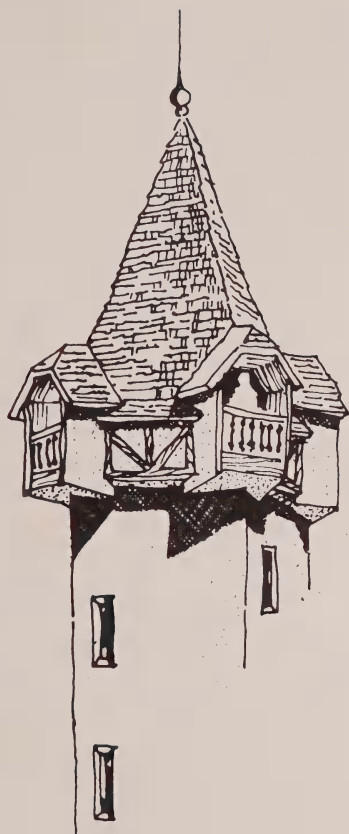

On a successful school year.

you do - best wishes! Take care.

*Love ya,
Cathy*

A NURSING CAREER IN BEAUTIFUL NAPA VALLEY

Modern Acute Care Medicine in an Historical Setting

AN UNUSUAL BENEFIT OF YOUR PROFESSION IS THE ALMOST INFINITE NUMBER of options available to you. Among your most important choices are the nursing specialties that interest you, the area in which you desire to live, and the particular lifestyle you wish to pursue.

Nursing at St. Helena Hospital & Health Center offers an exciting and unique combination of these. Our Health Center programs offer additional rewarding opportunities.

To this we add the best in California country living. Delightful little towns set in the captivating beauty of charming Napa Valley's rolling hills, pine and oak forests. Where deer walk across your lawn in the evenings and people know each other by name. Secluded and beautiful, yet only an hour away from culturally exciting San Francisco. And just minutes away from Pacific Union College.

SINCE 1878 ST. HELENA HOSPITAL & HEALTH CENTER HAS BEEN COMMITTED to the treatment of the whole person. With our residential health enhancement programs we offer a unique approach to "wellness." Lifestyle therapies combine harmoniously with modern acute-care medicine to create a broad contemporary approach to the healing arts.

If you desire a challenging career and a place in the California country, you'll find St. Helena Hospital & Health Center to be an extremely attractive choice. Combined with our attractive benefits package and extensive orientation program designed specifically for new graduates, St. Helena could be the place for you.

Come for the romance...but stay for a career. For more information write St. Helena Hospital & Health Center, Employee Relations, Deer Park, CA 94576 or call collect (707) 963-6590.

Dear Sharon
 When do I begin - at the beginning. You know I still
 remember when you moved in next door with Julie. Then the
 times I would stay up all hours and you would end up
 putting my books to bed with you so I would go to bed -
 that is eating! I loved coming up to your room and just
 talking - you forever feeding me and that's generous. Then the
 time you were my lifesaver. . . Barb's wedding I mean Sharon.
 The cake was absolutely beautiful, believe me without you it
 would have been a flop and that was so unselfish of you. I
 love you so much Sharon for all of those qualities so many
 good qualities. Sharing so many high and lows together. When
 we talk I can tell when you say things that are so right -
 always trying to make things right. You have so many friends
 and believe me we can see those beautiful traits from the bottom
 of my heart. I can proudly say congratulations I'm proud of you
 you made it! Love ya lots and always.
 Jeanette
